PROFILE

Enthusiastic and self-motivated programmer, eager to learn and advance as a software developer.

I'm passionate about code and thinking of creative ways to automate and add new value to projects I get to work on.

I'm keen to learn new programming languages, development tools, frameworks and systems.

EMPLOYMENT HISTORY

Security Guard, University of Haifa

Haifa

Aug 2017 — Present

My time in this position has taught me to be:

- Aware of my surrounding and pay attention to the little details
- Assertive and dominant
- Able to follow instructions and policies
- Able to work in stressful environments and situations

Police Officer , Border Police

Jul 2014 — Jul 2017

In my time in this position I have prevented acts of terrorism and kept the public order in my region of deployment and outside of it.

All of the above has taught me to:

- Enforce the law and follow it
- Apply decision-making and problem-solving skills under pressure
- Gain confidence and be representative

EDUCATION

B.Sc Software Engineering, Ort Braude College

Karmi'el

Mar 2020 — Present
